

REMARKS

We respectfully request that the above amendments be entered into the file of the case. They are to correct numerous changes made by amendment in the original application that were not incorporated into the patent as issued. Also, minor typographical and grammatical errors have been corrected for better understanding of the specification.

An early action on the merits is respectfully requested.

Respectfully submitted,

T. Daniel Christenbury
Reg. No. 31,750
Attorney for Applicants
